# LUX GRASS

Lux Lawn offers a wide range of residential and commercial turf options. All of our product features Heat reduction technology to reduce surface temperature, soy based backing systems to reduce reliance on petroleum, antimicrobials to help mitigate odours and bacteria, 3 dimensional fiber cross section, and 40% more fibers per square yard compared to most other turf products.

## SUPERIOR DRAINAGE

All Lux Lawn products have a minimum drainage rate of 50" per hour

## ANTI-MICROBIAL

Engineered with antimicrobials to help mitigate odours and bacteria

## HEAT REDUCTION TECHNOLOGY

Engineered with heat reduction technology to reduce surface temperature

## PET FRIENDLY

Made with human's best friends in mind

## 15 YEAR WARRANTY

We back our product with a 15 year warranty
